National Governing Bodies 2016

Sport Ireland assists National Governing Bodies of Sport to develop sustainable and effective structures to facilitate increased numbers of both participants and volunteers across a wide range of sports.

In 2016, €10.86m will be allocated to 59 NGBs through core grant funding. The NGB core grant covers administration, participation programmes, coach development, hosting events, implementing strategic plans and the employment of professional staff.

Sport Ireland

High Performance 2016

Sport Ireland High Performance Unit aims to ensure Ireland's performance in elite international sport improves and also to create consistent success at elite level defined as producing Irish athletes in the finals at European, World, Olympic and Paralympic level.

In 2016, over €10.18m will be invested directly into high performance sports bodies. €8.36m will be invested in High Performance Sports Programmes with a further €1.82m supporting athletes under the International Carding Scheme.

2016 International Carding Scheme

The board of Sport Ireland has approved the recommendations of the Carding Sub-Committee. The details of the recommendations will be published shortly. The budget approved for 2016 is €1.82 million. For the period 2013 to 2016 the total amounts of grants allocated under Carding will amount to €6.5 million.

Team Ireland Golf

The board of Sport Ireland has approved the recommendations of the Team Ireland Golf committee for 2016. €200,000 will be invested under the scheme in 2016. Details will be published in due course by the Confederation of Golf in Ireland. It will include grants to individual golfers who are seeking to make breakthroughs on the main professional golf tours and in support of the Challenge Tour event in Ireland in 2016 which is an essential component of the package of support for golf.

Sport Ireland

Local Sports Partnerships 2016

Sport Ireland supports County Local Sports Partnerships (29) to co-ordinate and promote the development of sport at local level and increase levels of local participation in sport and physical activity.

In 2016, €5,001,008 million will be allocated to the 29 established sites for core, general programme, and disability funding. In 2016, an additional €114,700 will be allocated for Women in Sport funding. This will fund female target groups including, women with a disability, women in disadvantaged communities, older women and teenage girls.
