The Olympic Council of Ireland (“OCI”) and Athletics Association of Ireland (“the National Federation”) agree the following nomination and selection standards and procedures for the selection of athletes for the 2016 Olympic Summer Games in Rio (the “Olympic Games”) for the sport of Athletics

The parties acknowledge and agree that the standards and procedures set out in this Agreement may exceed those stipulated by the International Olympic Committee (“IOC”) the Association of National Olympic Committees (ANOC) and the International Association of Athletics Federations (IAAF) (“International Federation”).

IT IS AGREED THAT:

The parties acknowledge that under 2.1 of Rule 28 of the Olympic Charter the OCI has the exclusive power for the selection and participation of the Irish Olympic Team at the Olympic Summer Games. The parties further acknowledge that under Paragraph 2.1 of the Bye-law to Rules 28 of the Olympic charter, the OCI is required to constitute, organise and lead its delegation at the Olympic Games and that the OCI has the exclusive power in accordance with that Bye-law, to “decide upon the entry of athletes proposed by their respective National Federations. The National Olympic Committees (NOCs) must ensure that the entries proposed by the National Federations comply in all respects with the provisions of the Olympic Charter”.

- 1.2. Under paragraph 2.3 of the bye-law to Rules 28 - They have the sole and exclusive authority to prescribe and determine the clothing and uniforms to be worn, and the equipment to be used, by the members of their delegations on the occasion of the Olympic Games and in connection with all sports competitions and ceremonies related thereto.
  - 1.2.1. This exclusive authority does not extend to specialised equipment used by athletes of their delegations during the actual sports competitions. For the purposes of this rule, specialised equipment shall be limited to such equipment acknowledged by the NOC concerned as having a material effect on the performance of athletes, due to the specialised characteristics of the equipment. Any publicity in respect of any such specialised equipment must be submitted to the NOC concerned for approval if there is any reference, express or implied, to the Olympic Games.
- 1.3. In accordance with its exclusive authority, the OCI reserves the right to require any individual nominated by the National Federation to undergo a medical examination carried out under the control of the OCI Chief Medical Officer (and/or his/her appointed representative) at any time prior to, or during the Olympic Games to determine an individual's medical fitness to perform to the best of his/her ability at the Olympic Games and/or to determine whether or not an individual has breached any of the rules contained in or referred to under the Olympic Charter or the Team Member's Agreement in force at the time.
- 1.4. If, pursuant to and in accordance with the results of any such medical examination, the Chief Medical Officer considers in his/her reasonable opinion that an individual nominated and/or selected for the Olympic Games is not physically fit to perform and/or has breached any of the rules referred to in the Team Members' Agreement, the OCI may at its absolute discretion not select or may de-select such an individual.
- 1.5. No Team Member's selection will be ratified by the OCI until all relevant documentation and required procedures are fully completed.
- 1.6. The parties agree that pursuant to and in accordance with the OCI's exclusive authority, the OCI may at its absolute discretion refuse to select an individual nominated by the National Federation for selection to the Team.
