MEET THE STARS OF TOMORROW

The Olympic Games is the occasion to experience magnificent matches, **meet the legends of tomorrow** and to discover ever more impressive sports...

SPECTACULAR CEREMONIES

The Opening Ceremony will take place **on the playing fields** that will belong to the athletes the very next day. Join us at the heart of the City of Light for **the biggest and most popular festival of sport** in the world.

TAKE YOUR SEATS FOR THE OLYMPIC CEREMONIES

For the first time in the history of the Olympic Games, the **Opening Ceremony** will take place at the heart of the city and will be open to the general public. The River Seine will become the magical backdrop for the athletes and delegations, in front of thousands of spectators from around the world.

On the lower quays of the Seine, spectators will be close than ever before to the ceremony – truly a part of history as it unfolds.

The closing ceremony will be a final opportunity for Paris 2024 to realise its ambition to open the Games and to revisit the great markers of the event. Of course, the Olympic Stadium (Stade de France) will be the venue for the show, as is tradition. But as with the opening ceremony, Paris 2024 will combine audacity and creativity to offer the athletes an unforgettable experience in which they will be the central actors, and to spectators and television viewers an exceptional show that will showcase France in all its components.
